### AMERICA AND TODAY'S POLITICS

On Wednesday, 1 July, the GCN Summer Summit 2026 will take place from 3:00 p.m. to 6:00 p.m. in the iconic Euronext building at Beursplein 5, in the heart of Amsterdam. In this unique setting, U.S. political expert Michiel Vos will guide us through the current political landscape in the United States. What do you really need to know and understand, and what are the implications for companies and partnerships worldwide? He will provide us, as GCs, with a clear framework to interpret developments more quickly in the U.S. and respond to them effectively.

In addition, the GCN Summer Summit naturally offers an excellent opportunity to informally connect with many new GC peers in a short period of time. An inspiring afternoon to kick off the summer season!

Programme:

- Opening remarks by René van Vlerken, CEO of Euronext, and Sylvia Andriessen, GC of Euronext
- English-language keynote by Michiel Vos
- Drinks reception in the Boardroom
- Last but not least: at 5:30 p.m., as GCN, we will ring the gong in the trading hall, officially closing the trading day
